

Call for Participation

We invite you to join us in **13th International Conference on Software Engineering and Applications (SEA 2024)**.

This conference is a forum will provide an excellent international forum for sharing knowledge and results in theory, methodology and applications of Software Engineering and Applications. The goal of this conference is to bring together researchers and practitioners from academia and industry to focus on understanding Modern software engineering concepts and establishing new collaborations in these areas.

Highlights of SEA 2024 includes:

- 12th Conference on Data Mining & Knowledge Management Process (DKMP 2024)
- 13th International Conference on Embedded Systems and Applications (EMSA 2024)
- 13th International Conference on Cloud Computing: Services and Architecture (CLOUD 2024)
- 10th International Conference on Artificial Intelligence and Applications (AIFU 2024)
- 14th International Conference on Computer Science, Engineering and Applications (CCSEA 2024)
- 10th International Conference on Signal and Image Processing (SIPRO 2024)
- 10th International Conference on Networks & Communications (NCOM 2024)
- 5th International Conference on Big Data and Machine Learning (BDML 2024)
- 5th International Conference on Natural Language Computing and AI (NLCAI 2024)
- 5th International Conference on Block chain and Internet of Things (BIoT 2024)

Registration Participants

Non-Author/Co-Author/Simple Participants (No Paper)

100 EURO for Online (Without Proceedings)

450 EURO for Face to Face(With Proceedings)

Here's where you can reach us: sea@ccsea2024.org (or) sea_conf@yahoo.com
